

**Features**

- Dimension: 104mm x 48mm x 20mm
- Weight: 55g (excluding battery & accessories)
- Camera easily mounts in almost any vehicle
- Capture video for legal or insurance purpose
- Red Laser points to the area being recorded
- Adjust camera angle easily
- Video Camera records all outside and inside events
- Uses SD card from 128MB to 2GB
- Video playback on the TV

**General Description**

- Record the real-time road conditions for the vehicle owners
- Save the objective evidences
- Memory type: SD/MMC card and busses for the insurance
- Provide the actual on-site video record for the law-enforcement officers
- Repeat storage by section (50 minutes for each section)
- Supplied by 3 AAA batteries or DC 12V vehicle power adapter
- Support AVI video format
- Video size 320x240 QVGA
- Support TV OUT function

**Packing List**

- SE-CV01 Camera X 1
- Base mount X 1
- Screw cap X 1
- 12V Power adapter X 1
- User manual X 1
- AV Cable X 1

**Specifications**

Item	Specifications
Imaging Sensor Type	CMOS
Video Compression	AVI video format
Imaging Resolution	320 x 240
Video Output	NTSC / PAL
View Angle	60 degree
Camera Distance	Infinite
Voice Recording	No
Internal Memory	No
SD/MMC Card Support	128M~2G
Video Recording Mode	Repeated & Continuous recording. Every 50 minutes per video clip
Video File Size	5M~8M per minute
Consumption Current	70~90mA
Operating Temperature	0~65°C
Adapter Type	DC +12V
Battery Type	3 AAA batteries
Consumption Current	70~90mA/Adapter, 110~130mA/battery
Battery Recording Time	Up to 5 hours
Size	104mm x 48mm x 20mm
Weight	55g (camera)/ 298g±2g (GW)
Color box size	150mm x 100mm x 70mm

**Structure**

## Features

- Apply to companies and institutions such as bank, real estate, insurance and safeguard
- High definition video capture and record
- Support IR Night Vision surveillance
- Memory type: SD/MMC card
- Support AVI video format
- Built-in Rechargeable Li-battery
- Available distance is up to 0.4~infinite distance
- Video size: 320 x 240 QVGA
- High definition MIC for audio recording
- Compact & slim SD card with large capacity and high-speed data transfer, save at least 3 hours video file by 1G capacity

Recording & Real-time Video Saving

Designed for security guard & offers another crime fighting tool, enabling you to record the actions of the suspect. Video recordings can be used as evidence to prosecute those individuals who violate the law.

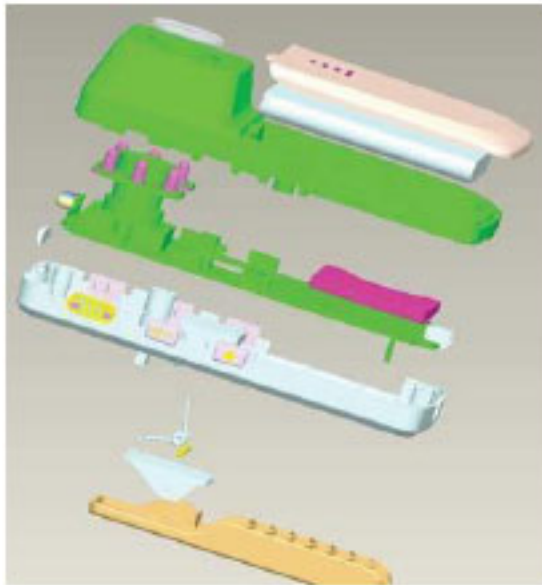

## Packing List

- SE-GC02 Camera X 1
- Fixed clip X 1
- Charger X 1
- USB cable X 1
- User manual X 1

## Specifications
